### PASO ROBLES BARREL ROOM TOUR

The Barrel Room Tour will offer guests a unique glimpse behind-the-scenes of the Firestone Walker brewhouse, as well as a rare look into the highly-regarded barrel aging room. An experienced Firestone Walker Beer Educator will lead guests through this interactive experience, guiding them through areas of the brewery that are usually off-limits to the public.

The hour-long tour will feature Firestone Walker's history, Brewhouse I & II, the bottling line, the fermentation cellar, both the Canning and Kegging Hall, then finishing with a tasting in the Barrel Room. Throughout the tour, guests will have the opportunity to taste through five of Firestone Walker's finest ales while being shown the process in which they are made.

Tours are limited & only offered on Saturday & Sunday by appointment. Tours cost \$30 per person & include five different beer samples & a Firestone Walker souvenir bag to take home containing one 12oz FW vintage beer, a FW Glencairn glass & a FW bottle opener.
